SURROGATE SPOTLIGHT

This month we would like to introduce:

Paola

I learned about surrogacy many years ago and the more I learned about it, the more I loved the idea of helping someone in fulfilling their dream of parenthood. I am a mother of 2 boys, 13 and 11 years old and I could not imagine life without them, the idea of someone not knowing that feeling along with the struggles of infertility or trying for years to have their own child was heart breaking to me. In my heart I wanted to help someone and I wanted to find a perfect match to enjoy and share the journey together; therefore I pursued surrogacy and started my first journey with a lovely IP!! The journey was amazing and a life changing experience. I would not change anything about it. My journey ended on 11/25/18 when I gave birth to a healthy, perfect, handsome baby boy. Meeting this baby and watching my IP become a father was truly beautiful. The moment baby was born was one the most precious and special moments I've ever had and part of the memories I will treasure in my life. This is where I learned that everything on my journey was so worth it because now someone's family is complete and I feel so honored and blessed to have been part of it. I'm so thankful for the experience, for my amazing and supportive family and friends and for everyone at CO, especially my coordinator Melanie.
