CONCEPTUAL OPTIONS' JUNE SURROGATE SPOTLIGHT IS:

Marissa

Being a surrogate has been one of the most fulfilling journey over the past 3 years. I was a surrogate for two little sisters. The first surrogacy, in the beginning, was a lot easier than I thought. I was happily taking pictures and talking with the Intended Mother. I was preparing to help start their family, and I was thrilled. Jump forward to the present, having their second daughter and completing their wonderful family. The second time around I felt like a pro, able to handle anything. The parents and I were a lot more at ease taking our second journey together. Not every story is the same, but the bond we have created here is forever. We have become an extended family amongst each other. Being a surrogate has been a beautiful journey. I can't wait for the next chapter as I get to watch these girls grow. Thank you conceptual options for such a beautiful experience.
