## CONCEPTUAL OPTIONS' AUGUST SURROGATE SPOTLIGHT IS

# Raynese

Working as a birth certificate clerk, I've came across many surrogates and IPs and the joy from each room is the most awesome feeling ever!!! So I put some thought into it and spoke with my boyfriend, he stated he would support me in this decision of wanting to experience of helping others. A surrogate/coworker told me about Conceptual Options and I was sold!! The following week I applied, the sound of Raina's voice and words over the phone were so nice and comforting. Even though it took awhile for me to get matched and to pass medical screening, I was determined to help create a family. I'm so thankful of the choice my IPs picked for there IVF clinic. The IVF coordinator that I had interacting with for the first 3 months made me feel like I was the only one she was dealing with, she was prompt with answers to my questions along with keeping me informed with everything. I was a little sad that I wasn't going to be communicating with her anymore. I knew I was in good hands having my case manager Melanie by my side. Besides the all day morning sickness in the beginning, the remaining of the pregnancy was great. It went by so fast including the birth. I can now proudly say, "I gave birth to a healthy baby boy on July 21st to a happy couple who now has their family complete!! Thank you Conceptual Options, for making this journey incredible for me!
